

# *Rachel's Reflections*

WORK BY RACHEL L. MEANS

## ABOUT THE ARTIST

---

Rachel Means is a mixed media visual artist. Through drawing, painting, sculpture, and installation, she considers the intersections between the relational and internal. She draws attention to the seen and unseen of Christian faith as well as the beauty and decay of nature.

*I feel called to create art and I want to be an example to other artists (or anyone) hesitant about pursuing their calling.*

## ELSEWHERE

---
